***A note from the chef:***

*Having cooked in Germany, France, Switzerland, Canada, Ireland, Russia, the USA, for George Bush, Liz Taylor, Willie Brandt, Jackie Kennedy, the Queen of England and many more, I have put together a menu with a flavour of all of these countries yet using only local ingredients of the highest quality. With this in mind, and after careful consideration, I have selected our wines only from reputable international shippers such as Bouchard, Riscal, Penfolds and Concha y Toro.*

*All our food is sourced locally using only the finest Irish products, beef from O'Flynn's Sundays Well, chicken from the English Market, Grand Parade and seafood from Goodfish, Carrigaline. Four Liars Bistro supports local suppliers.*

*Yours sincerely,  
Brendan Murphy*
